

PRESS RELEASE

Cegid Group's 2016 Annual Financial Report will be available on the Company's website www.cegid.fr (in French, link "investisseurs") as of April 28, 2017.

The Shareholders' Meeting will be held on Thursday June 29, 2017, at 6.00 pm, at the head office, 52 quai Paul Sédallian, 69009 Lyon (France). Among the items on the agenda is the approval of the financial statements for the year ended December 31, 2016.

Cegid Group had previously announced that it would change its dividend distribution policy. In light of the Company's strategy for growth and investment, the Board of Directors believes it is important for the Company to improve its financial flexibility and to focus its financial resources on its operations and on the financing of its plans for capital expenditure and development.

As a result, the Board of Directors decided at its meeting of April 27, 2017 to recommend to shareholders that they not pay a dividend on 2016 earnings.

The Company's future dividend policy will be based on its financial needs and on its growth and development. Consequently, as the new controlling shareholder Claudius France announced at the time of the tender offer, there can be no guarantee as to the distribution of dividends in future years.

The invitation to the Shareholders' Meeting will be published in the Bulletin of Legal Announcements (BALO) by the date required under the law and will include the draft resolutions to be submitted to a shareholder vote during the Meeting.
