The acquisition initially will not have any significant effect on LeoVegas' net profit.

Gustaf Hagman, LeoVegas' Group CEO, comments: *"In CasinoGrounds we see a new behaviour in which persons interested in casino are watching others play casino via YouTube and Twitch. CasinoGrounds has created a new niche through its live streaming and social platform, which are highly appreciated by players. The combination of proprietary content and the moving picture format create exciting opportunities going forward and is in line with LeoVegas' strategy to be an innovative and entrepreneur-driven company. LeoVegas has had successful cooperation with CasinoGrounds since 2016, and we know their team well. Our ambition is now to scale up existing operations to more markets."*
