Orange's ambitions for Mobile Financial Services

Orange presents today, November 30th 2018, in London its ambitions for Mobile Financial Services to analysts, investors and to the press.

The presentation is available on Orange website: <https://oran.ge/financialiday>

About Orange

Orange is one of the world's leading telecommunications operators with sales of 41 billion euros in 2017 and 150,000 employees worldwide at 30 September 2018, including 92,000 employees in France. The Group has a total customer base of 261 million customers worldwide at 30 September 2018, including 201 million mobile customers and 20 million fixed broadband customers. The Group is present in 28 countries. Orange is also a leading provider of global IT and telecommunication services to multinational companies, under the brand Orange Business Services. In March 2015, the Group presented its new strategic plan "Essentials2020" which places customer experience at the heart of its strategy with the aim of allowing them to benefit fully from the digital universe and the power of its new generation networks.

Orange is listed on Euronext Paris (symbol ORA) and on the New York Stock Exchange (symbol ORAN).
