Aino Health secures bridge financing

Aino Health is increasing its liquidity through bridge financing from the company’s CEO Jyrki Eklund, all Board Directors and other members of the management team. The management team and Board of Directors have approved a bridge loan totalling SEK 4.7-5.7 million for the company.

The loan is granted in instalments over the period May 15 to August 31 2018. The annual interest rate is 10 percent. The loan will be repaid in connection with the company being provided with supplementary long-term financing. No guarantee for repayment of the loan has been made. This is a transaction with related parties. The loan will not cover a period of twelve months, but the company is working actively with other measures to obtain financing.
