

## Weekly share repurchase program transaction details

February 27, 2019

SBM Offshore reports the transaction details related to its EUR175 million (c. US\$200 million) share repurchase program for the period February 21, 2019 through February 27, 2019.

The repurchases were made under the EUR175 million share repurchase program announced on and effective from February 14, 2019. The objective of the program is to reduce share capital and, in addition, to provide shares for regular management and employee share programs. Information regarding the progress of the share repurchase program and the aggregate of the transactions (calculated on a daily basis) for the period February 14, 2019 through February 27, 2019 can be found in the top half of the table below. Further detailed information regarding both the progress of the share repurchase program and all individual transactions can be accessed via the Investor Relations Center of the Company's website.
