## CLX Strengthens its management team by appointing a Chief Operating Officer

**Stockholm, Sweden – CLX Communications AB (publ) (“CLX”) – (XSTO:CLX) – a leading provider of CPaaS and cloud-based communication solutions, today announced it has appointed Anders Olin as Chief Operating Officer for the enterprise division. Anders assumes his roles as of Monday January 15, 2018.**

“I am convinced Anders will be a very strong addition to our already strong international team. He has successfully managed both large organizations and sales teams and has extensive experience from selling both to enterprises and mobile operators. His most recent experience includes the responsibility for Ericsson’s Telecom Core Portfolio and its transition to cloud, IoT, and 5G also including transition to new IoT SaaS business model from portfolio acquisition.”, says Johan Hedberg, President and CEO of CLX Communications.

Anders has a solid international background where he has lived and worked in the US and in the UK for many years during his career and he has also worked in India, Latin-American and Asia, including China. He also managed complex sales processes and sales teams in multi-billion SEK deals and partnerships with enterprises like Apple, Samsung, Microsoft, Vodafone, AT&T and Telenor.

Anders will be responsible for all revenue generation within the Enterprise division and manage the sourcing of capacity to stay in control of the gross profit generated. His responsibilities also include Marketing. Furthermore, Anders will work with the corporate development team to secure a smooth transition of future acquisitions into the CLX family.

With the ambition to further strengthen CLX capabilities to grow and continue to develop world-class solutions, Robert Gerstmann has been appointed Chief Product Officer. In this position, he will oversee and manage all aspects of CLX product- and services portfolio, including innovation, customer support and engineering. Robert was previously head of CLX Enterprise division.

Effective Monday January 15, 2018 CLX group management team will be:

- Johan Hedberg, Chief Executive Officer
- Anders Olin, Chief Operating Officer (Enterprise Division)
- Robert Gerstmann, Chief Product Officer (Enterprise Division)
- Johan Rosendahl, Managing Director (Operator Division)
- Odd Bolin, Chief Financial Officer
- Björn Zethreaus, Vice President Corporate Development
- Jonas Lindeborg, Group Chief Technology Officer
- Lena Oldberg, Director Human Resources

“The IPO in October 2015 was the starting point for our strategy where we said that CLX shall grow to become a world-leader in the CPaaS and Cloud Communication services market. Since the IPO we have grown approximately 400 percent through a combination of organic growth, and growth through acquisitions”, says Johan Hedberg, President and CEO of CLX Communications. “To secure our long-term success we need to grow as an organization and we constantly need to add competence to our already world-class team. With the recent additions and changes I am convinced that we have strengthened our capabilities considerably.”
