DIAGNOSTICS
Patient Focused. Discovery Driven.

Sunday, Oct 21

9:00 AM -
11:00 AM

Poster Presentation | Presented by **Thierry Dervieux, PhD** | **Abstract: 566**

Title: Capillary Blood Based Methotrexate Polyglutamate Assay for Monitoring Low Dose Methotrexate Therapy in Rheumatic Diseases

Session Title: Rheumatoid Arthritis – Treatments Poster I: Strategy and Epidemiology

9:00 AM -
11:00 AM

Poster Presentation | Presented by **Thierry Dervieux, PhD** | **Abstract: 565**

Title: Genetic Polymorphism in Dihydrofolate Reductase Impacts Methotrexate Polyglutamation in Adult Rheumatoid Arthritis

Session Title: Rheumatoid Arthritis – Treatments Poster I: Strategy and Epidemiology

Monday, Oct 22

9:00 AM -
11:00 AM

Poster Presentation | Presented by **Jing Shi, PhD** | **Abstract: 1441**

Title: Diagnostic Performances of Antibodies Against Carbamylated Proteins in US Based Populations with Rheumatoid Arthritis and Other Autoimmune Rheumatic Diseases

Session Title: Rheumatoid Arthritis – Diagnosis, Manifestations, and Outcomes Poster II: Diagnosis and Prognosis

2:30 PM -
4:00 PM

Podium Presentation | Presented by **Thierry Dervieux, PhD** | **Abstract: 1858**

Title: An Assay Panel Combining Anti-Protein Arginine Deiminase 4 with Rheumatoid Factor Isotypes Distinguishes Anti-Citrullinated Peptide Antibody Negative Rheumatoid Arthritis

Session Title: Rheumatoid Arthritis – Diagnosis, Manifestations, and Outcomes II: Diagnosis and Prognosis I

2:30 PM -
4:00 PM

Podium Presentation | Presented by **Jill Buyon, MD** | **Abstract: 1855**

Title: Erythrocyte Bound C4d in the Presence of Adverse Pregnancy Outcome Events in Pregnant Women with Systemic Lupus Erythematosus

Session Title: Reproductive Issues in Rheumatic Disorders

Tuesday, Oct 23

9:00 AM -
11:00 AM

Must See! Poster Presentation | Presented by **Michelle Petri, MD** | **Abstract: 2630**

Title: Complement C4d Split Products in Combination with Lupus Anticoagulant and Low Complement Associate with Thrombosis in Systemic Lupus Erythematosus

Session Title: Systemic Lupus Erythematosus – Clinical Poster III: Treatment

9:00 AM -
11:00 AM

Must See! Poster Presentation | Presented by **Ann Clarke, MD** | **Abstract: 2184**

Title: An Economic Evaluation on the Impact of Earlier Systemic Lupus Erythematosus (SLE) Diagnosis Using Complement C4d Activation Products in a Multivariate Assay Panel (MAP)

Session Title: Health Services Research – ACR/ARHP Poster III

2:30 PM -
4:00 PM

Podium Presentation | Presented by **Rosalind Ramsey Goldman, MD** | **Abstract: 2833**

Title: Complement Activation Is a Feature of Diseases in the Lupus Spectrum

Session Title: Systemic Lupus Erythematosus – Clinical III: Translational Aspects
