The all-suite, all-verandah *Crystal Endeavor*™ takes you to lands of polar bears, Arctic foxes, walruses, sea birds and sparse but fascinating human history. On this 28-night quest aboard the world's largest and most spacious luxury expedition yacht, explore these distant shores by Zodiac with our expedition experts, trek the icy tundra and watch for whales and other giants of the far north. On board, a team of scientists, historians and luminaries lead insightful, conversational lectures, while the sumptuous appointments of your butler-serviced suite provide exceptional comfort. EXPEDITION CRUISES™

Fares listed are cruise-only, per person in US dollars based on double occupancy and do not include taxes, fees and port charges, which vary by departure. Fares listed are for select categories only and are correct at time of printing. Fares include Book Now Savings on select voyages. Available on new bookings when booked by April 30, 2019. All offers may not be combinable with other promotions, apply to first two full-fare guests in stateroom or suite, are capacity-controlled and subject to availability and may be withdrawn or changed at any time without notice. Other restrictions apply. Ask for details. All itineraries, fares, programs and policies are subject to change. Each Crystal Endeavor itinerary balances days at sea with scheduled ports of call, and is intentionally designed to be flexible, allowing the Captain and his team of experts to incorporate unplanned "expedition days" when favorable weather conditions invite the opportunity for uncommon discovery. The Expedition Team will maintain a keen eye so that if an opportunity arises and conditions allow, the Captain will attempt to position the vessel accordingly. The order of expedition calls/stops and/or itineraries may change due to weather/sea conditions or permit specifications. DM190120_E
