ROSS SEA, ANTARCTICA

SOLOVETSKY ISLAND, RUSSIA

USHUAIA, ARGENTINA

ANTARCTICA

Access the White Continent from the rarely traversed Ross Sea by way of Tasmania, or venture into the Weddell Sea from South America. Visit historic "huts" and research stations, explore the Antarctic Peninsula, embark on epic quests for penguin colonies, and look for whales and wildlife amidst the extraordinary wilderness.

RUSSIAN FAR EAST & NORTHEAST PASSAGE

Explore Russia's rarely visited Kamchatka Peninsula and Kuril Islands, places of breathtaking beauty favored by whales, otters, seals, bears and foxes. Or choose to navigate the fabled Northeast Passage on a journey once reserved only for history's boldest explorers — through the remote coastlines and archipelagos of the High Arctic.

JAPAN

Rain-forested islands, dramatic mountains, enchanting villages. Temples, gardens and monumental heritage sites. This is Japan. With its 6,852 islands, the archipelago has captured the curiosities of artists and explorers for centuries. From waterfalls and volcanoes to ice floes and wildflowers, explore Japan's "Last Frontier."

AUSTRALIA, TASMANIA & NEW ZEALAND

From deep explorations of Fiordland National Park and far-flung coastlines of birding paradises, journey beyond to discover the wild wonderlands of Sub-Antarctic isles. See fascinating wildlife throughout the bays of Tasmania and explore eucalyptus forests, coastal hiking trails and exceptional vineyards along Australia's southern coast.

Book Now Fares are cruise-only, per person in U.S. dollars, based on double occupancy for the first two full-fare guests in suite, include all promotional savings, and, do not include taxes, fees or port charges which vary by departure. All fares include promotional Book Now Savings. Book Now savings apply to select sailings only. All fares and savings vary by category and departure date and are valid between March 1, 2019 and April 30, 2019. Fares and promotional offers are capacity controlled and may not be combinable with other offers. Solo Fares and Optional Personal Select Air Program are available. Ask for details. All itineraries, fares, programs and policies are subject to change. Each Crystal Endeavor itinerary balances days at sea with scheduled ports of call, and is intentionally designed to be flexible, allowing the Captain and his team of experts to incorporate unplanned "expedition days" when favorable weather conditions invite the opportunity for uncommon discovery. The Expedition Team will maintain a keen eye so that if an opportunity arises and conditions allow, the Captain will attempt to position the vessel accordingly. The order of expedition calls/stops and/or itineraries may change due to weather/sea conditions or permit specifications. INDONESIA & SOUTHEAST ASIA

An expedition into the Java Sea reveals the treasures of Ujung Kulon National Park, home to lush rainforests, beaches, reefs and lagoons as well as the Krakatau archipelago. A singular voyage to Thailand and Vietnam navigates the Chao Phraya River to dock in the heart of Bangkok, and the Saigon River for two days in Ho Chi Minh City.

ALASKA & THE ALEUTIAN ISLANDS

Deep green forests, icy blue glaciers. Red foxes, brown bears and monochrome orcas. All paint Alaska's western frontier rarely explored by cruise ships. Explore massive glaciers and dramatic fjords, Native American culture and extraordinary wildlife, from the Kenai Fjords National Park and Alaskan Rainforest Sanctuary to the Aleutian Isles Biosphere Reserve.

EUROPE & TRANS-ATLANTIC

On extraordinarily intimate journeys, see the North Cape, Norwegian fjords and Scottish Isles up-close. Navigate the winelands of Bordeaux, beaches of Normandy and little-explored towns in Spain. Embark on an ocean expedition unlike any other with discovery in Atlantic isles and western Africa before arriving in South America.

SOUTH AMERICA

Dynamic cities home to famous beaches give way to pristine rainforests and beautifully-preserved history in Brazil, Argentina and Uruguay. From Isla Pingüino to the Falkland Islands, an immersive expedition reveals spectacular wilderness and wildlife including penguin colonies, fur seals, sea lions and all kinds of seabirds.
