Section 1

Camposol at-a-glance

Camposol keeps delivering a strong track record

Its value proposition is recognized by 9 of the top 13 retailers in the world with track record of growth driven by a strong research and development process.

Source: Company information

Notes:

1. Excludes discontinued operations (artichoke and asparagus).
2. Compound Annual Growth Rate ("CAGR"), calculated as $(\text{LTM 2Q-2018 Sales} / \text{2015 Sales})^{1/(2.50-1)}$.
3. EBITDA is a non-IFRS financial measure. For a reconciliation of EBITDA to profit (loss) for the period/year and for Non-IFRS Measures and Other Information, see 2Q-2018 Camposol Holding Report.
4. Net leverage ratio = $(\text{Gross debt} - \text{cash}) / \text{EBITDA}(1)$

5. Includes other seafood products.
6. Also includes peppers.
7. In the Produce category.

Section 2

2Q 2018 Highlights & Financial Performance

Camposol generated an EBITDA¹ of USD 34.1 million during the 1st half of 2018, LTM 2Q-2018 EBITDA amounted to USD 123.6 million.

Sales EBITDA and Volume

Sales - USD million

EBITDA - USD million

◆ EBITDA margin

Vol. Sold - MT

Highlights

■ 1 Half 2018 EBITDA¹:

- 72.1% higher blueberry volume compared to the same period last year, due to more planted hectares as well as more hectares entering in medium or high yield.
- 26.9% higher blueberry price compared to the same period last year.
- 2.7% higher shrimp volume compared to the same period last year, due to more volume coming from intensive shrimp ponds.
- 39.9% lower avocado volume compared to the same period last year, due to a delay on the harvesting season.

- As of June 30th, 2018, Camposol maintained a cash balance of USD 28.2 million.

- Net leverage ratio² maintained stable: 1.6x at 2Q-2018.

- Camposol continues its internationalization of its agricultural operations by acquiring land and plantations in Uruguay, to expand the tangerine business.

- Camposol launched and terminated a Tender Offer and Consent Solicitation for Any and All of its outstanding 10.50% Senior Secured Notes due 2021.

Source: Company information

Notes:

1 EBITDA is a non-IFRS financial measure. For a reconciliation of EBITDA to profit (loss) for the period/year and for Non-IFRS Measures and Other Information, see 2Q-2018 Camposol Holding Report

2 Net leverage ratio = (Gross debt - cash) / EBITDA(1)

3 Includes other seafood products.

4 Includes grapes, mangos, tangerine.

During 1H-2018 Camposol maintained its growth trend with sales 9% higher than 1H-2017 and a gross profit margin of 29.4%

Highlights

■ Camposol's

- Gross Profit of USD 41.2 million during 1H-2018, 2.4% higher than the same period last year.
- Gross Margin of 29.4% at closing 1H-2018 which is in line with the gross margin on the same period last year.

■ Avocados's

- Delay on the harvesting campaign focus production towards 3Q-2018.

■ Blueberry's

- Sales of USD 40.9 million, 118.4% higher than the same period last year.
- Gross profit of USD 17.9 million, 145.9% higher than the same period last year.
- Gross Margin of 39.5% at closing 1H-2018, up 4.4 percentage points compared to the same period last year.
- Increase in sales and gross profit mainly due to higher volume sold, 72.1% higher compared to 1Q-2017.

■ Seafood's

- Sales of USD 41.2 million, 3.5% higher than the same period last year.
- Gross profit of USD 3.4 million, Gross margin of 8.2%, down 6.3 percentage points compared to 1H-2017.

Source: Company information

Notes:

1 Mainly shrimp and includes other seafood products.

2 Includes tangerines, mangos, grapes and peppers

At closing 1H-2018, Camposol ended with a cash balance of USD 28.2 million, generating a USD 25.4 million cash flow from operations.

Cash Flow as of June 30th, 2018

	1H-2018	2017
EBITDA ¹ from continued Operations	34.1	125.5
Adjustment from discontinued operations	-	(1.0)
Working Capital Changes	28.7	(5.6)
Interest Expense Net	(8.8)	(19.9)
Income Tax paid	(5.0)	(0.6)
Other changes	(23.6)	1.6
Net Cash Flow from operations	25.4	101.2
Net Cash Flow for Investments	(79.7)	(53.5)
Net Cash Flow from/(for) Financing	48.2	(98.1)
Net Cash Flow during the period	(6.1)	(50.4)
Cash beginning of the period	34.3	84.7
Cash end of the period	28.2	34.3

- Camposol generated a cash flow from operations of USD 25.4 million, principally driven by collections of the blueberry campaign.
- Out of the USD 87.5 million of the 1H-2018 Investment Program, USD 26.7 million were invested in blueberries, USD 22.7 million were invested in tangerine in Uruguay and Peru, USD 8.5 million were invested in avocados in Colombia and Peru, USD 7.2 million were invested on the conversion of intensive shrimp ponds, USD 3.7 million in grape and USD 0.5 million in mango, among other.
- Cash flow from financing of USD 48.2 million, mainly explained by higher use of working capital credit lines.

Section 4

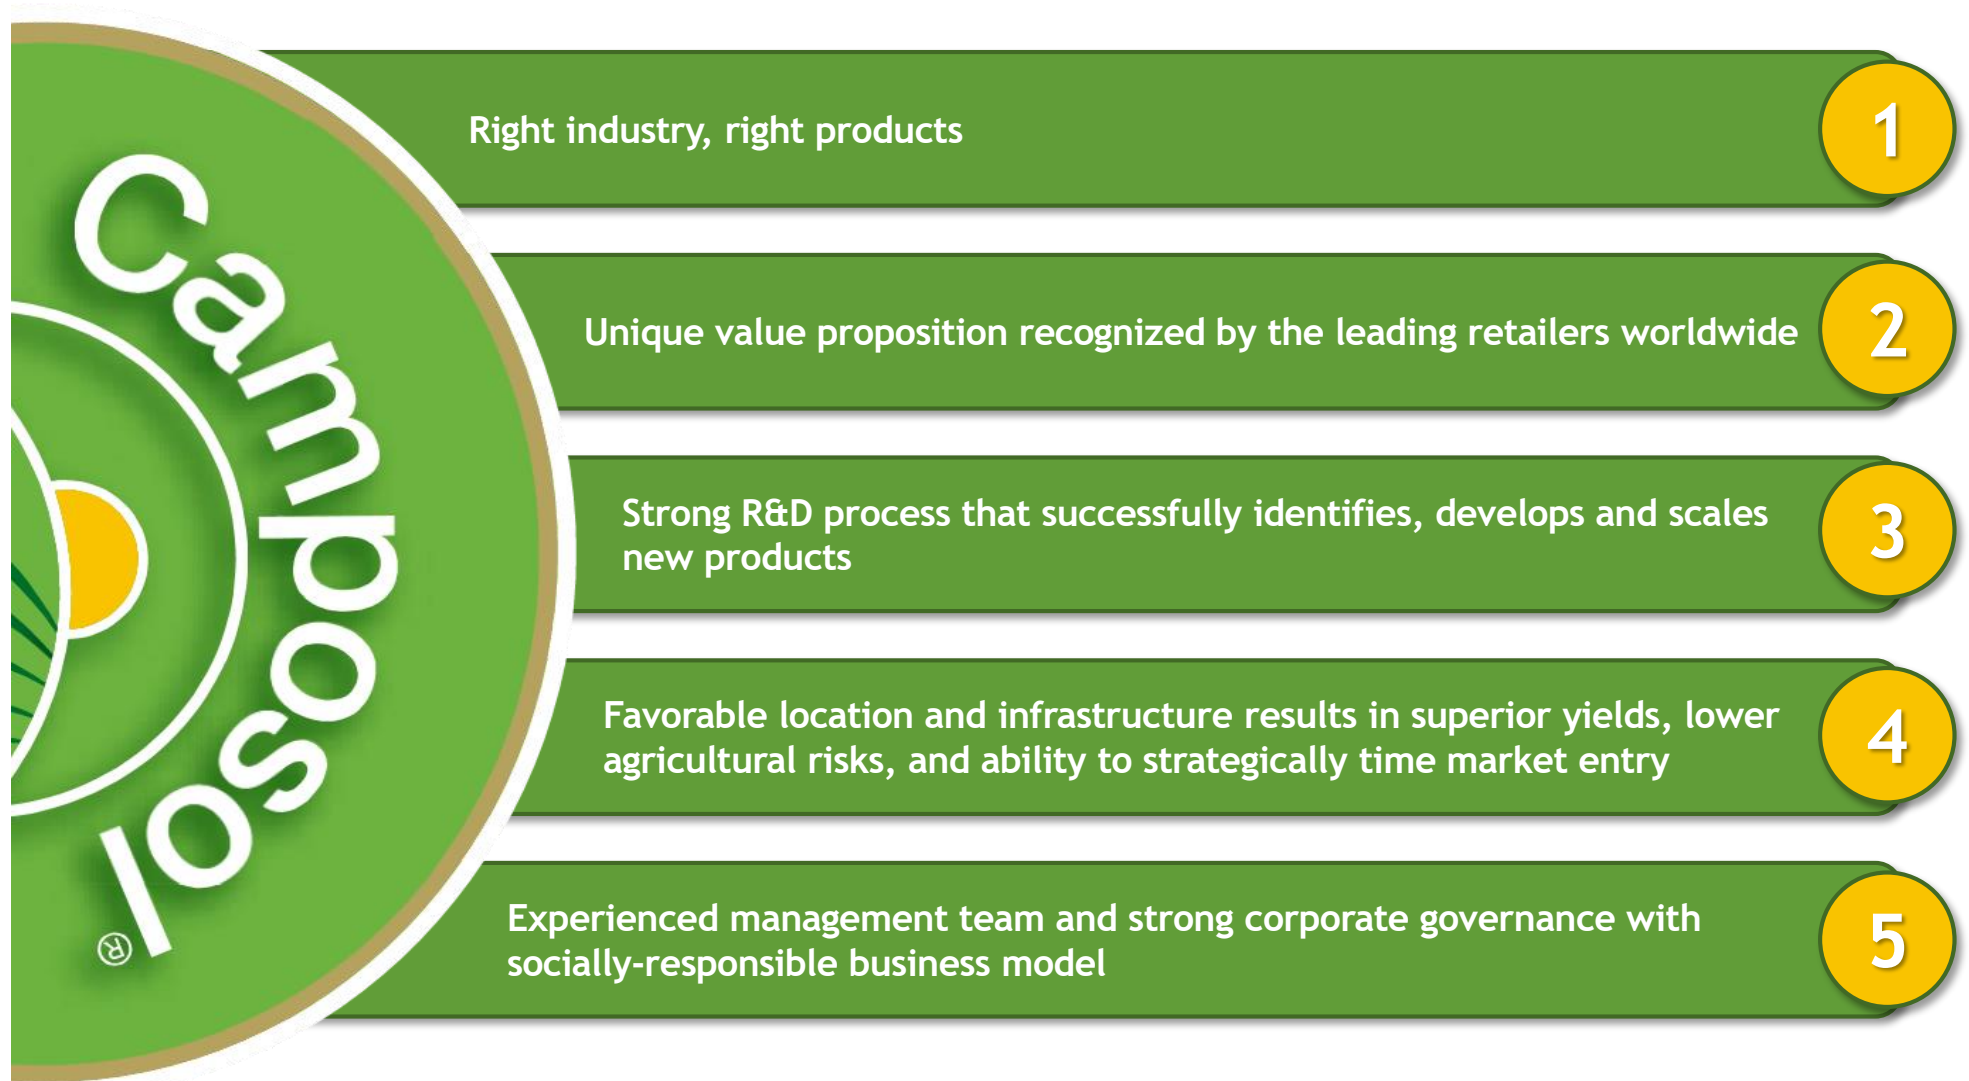

Annex

Camposol key highlights

Key highlights

1 Consumers are more focused than before on purchasing fresh & healthy products from trusted sources that utilize socially responsible growing methods

Need for food:

- Growing Population.
- Growing middle class in new developed countries that are focused on “quality” food.
- Population grows but arable land doesn't.

Creating an open and honest relationship with millennials is important

How to reach the millennial generation:

BE HONEST

Creating an open and honest relationship with this audience is very important.

BE NATURAL/ORGANIC

of Americans prefer to buy natural and/or organic foods over conventional foods if prices are comparable

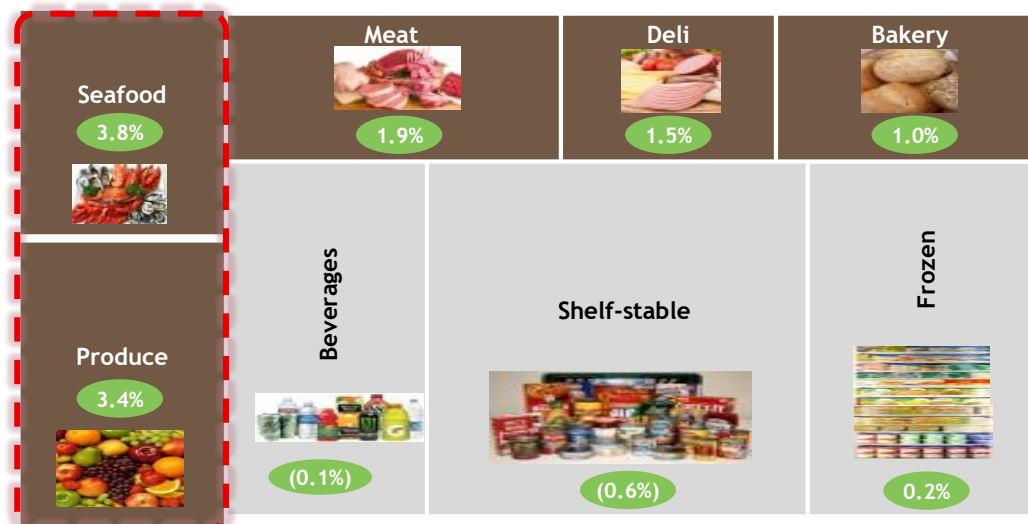

MILLENNIALS WORK WITH TRUSTED SOURCES on food & nutrition claims

65%	NUTRITIONISTS
58%	DIETICIANS
57%	FAMILY AND FRIENDS
54%	PERSONAL TRAINERS
26%	PACKAGING CLAIMS

Health and wellness trends will continue to drive consumption patterns and increased foot traffic in fresh food aisles

2 ...resulting in superior recognition by leading retailers worldwide

Retailers are placing incremental requirements upon their vendors and Camposol has strengthened its relationship with retail partners across the globe by consistent delivery of high-quality and fully-traceable products

Solid Relationship with some of the world's leading retailers and continued recognition for excellence

- In only 3 years, Camposol was awarded the **Supplier of the Year Award** in the **Fresh Produce** category by **Walmart**

“ The Supplier of the Year has...worked with Walmart to build long-term sustainable programs... improved the standard of living within communities they operate and at the same time strive to conserve land and water resources in Peru.

Walmart ✨ ”

June 2017

- Camposol was also **nominated** for the **Supplier of The Year Award** in the broader **Food** category, based on the following performance metrics:

Sales growth

Margin growth

Gross margin return on inventory investment

Joint business plan results

In-stock order and fill rates

Product quality

- Camposol increasingly works directly with retailers to achieve more stable export prices as well as to implement its value proposition to new trends

Sales by channel

Key partners

2 With a unique opportunity to connect with the modern, health conscious consumer via the "Berry that Cares" initiative

Strong Brand Recognition Efforts: Berry that Cares Campaign

- “The Berry that Cares” campaign, launched in October 2017, seeks to differentiate the Company by demonstrating Camposol branded products can be traced back to sustainable and environmentally conscious growing practices

Rationale

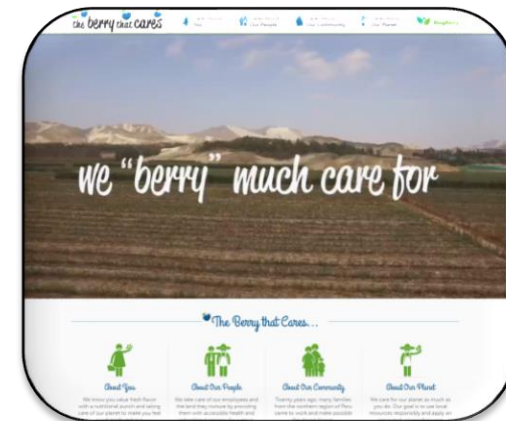

Further differentiate portfolio from competition

Packaging provides ideal real estate for branding to drive repeat purchases

Build a one-of-a-kind branded health and wellness platform

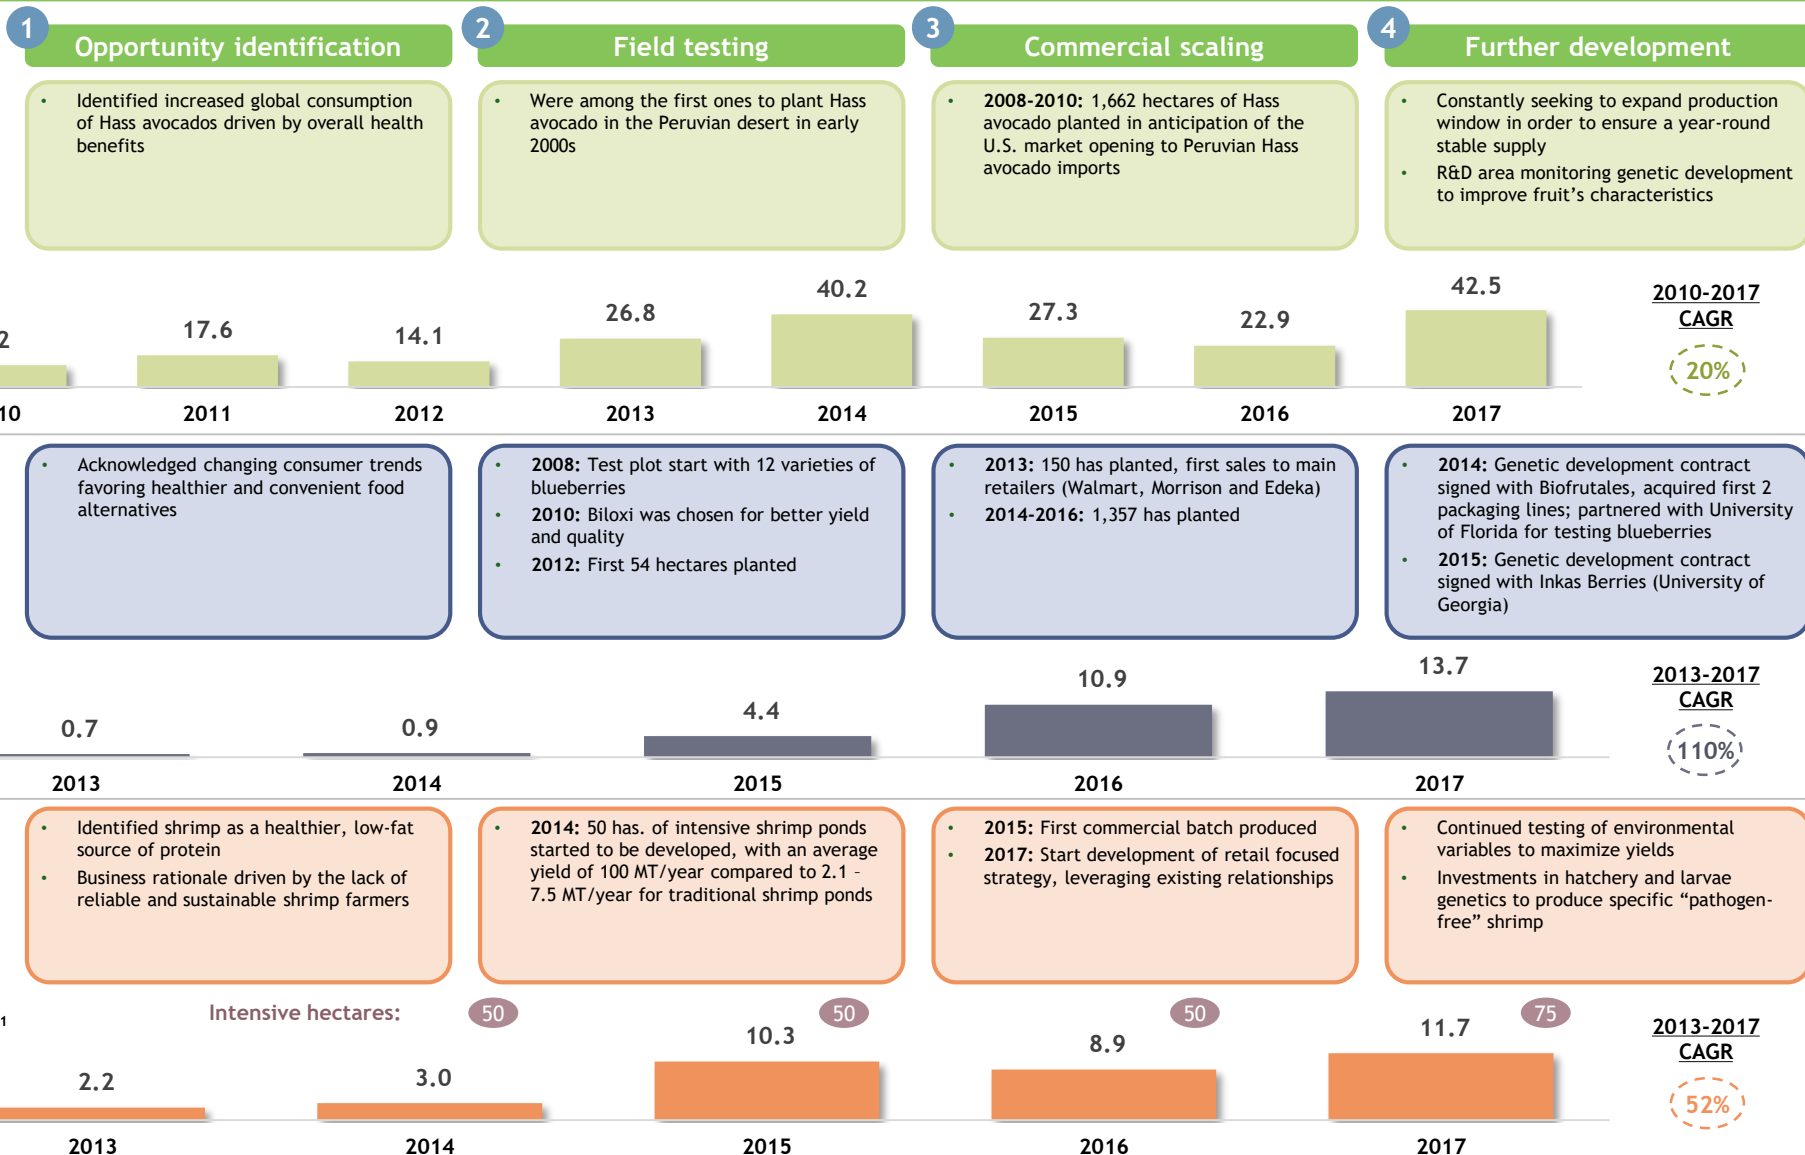

Leverage existing vertical integration to drive product innovation

- The campaign’s objective is to emphasize four key elements of Camposol’s production cycle:

3 Proven ability to successfully introduce and scale new profitable products

Camposol has more than 16 crops being tested by its R&D team

Source: Company information

Notes:

1 Includes other minor seafood products.

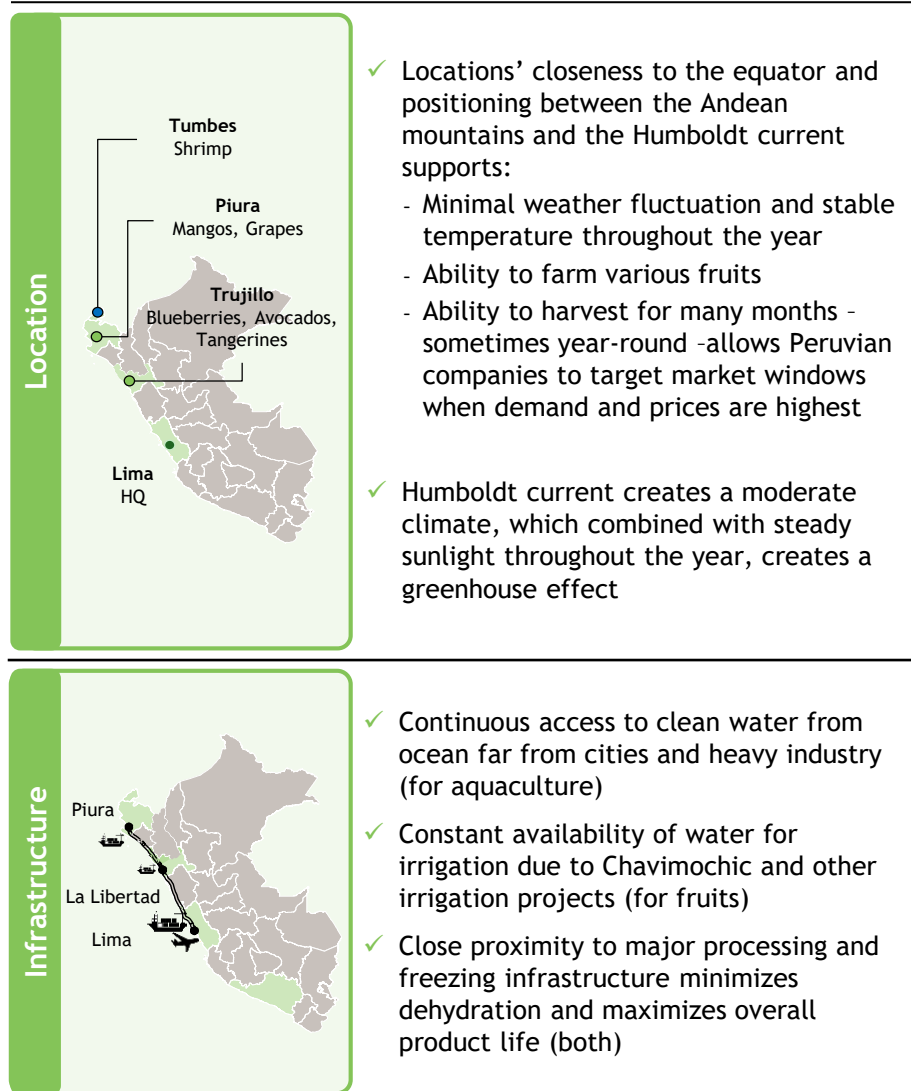

3 Constant innovation across the entire value chain allows Camposol to improve product quality and drive operational excellence

R&D is an integral part of Camposol's DNA, with 15 independent PhD scientists and advisors, and established relationships with 8 leading universities around the world

4 Strategic location and infrastructure enables superior yields with limited agricultural risks...

Location and operational expertise allows Camposol to achieve distinctively higher yields
